The people of The United Methodist Church

www.sgaumc.org/ImagineNoMalaria

Every 45 seconds, the death of a child.

Entire nations,

slipping through life's precious net.

Do you hear the buzzing inside of you?

To get involved. To give.

To imagine a world with no malaria.

2011 ANNUAL CONFERENCE SPECIAL OFFERING

Our congregation is invited to join with other churches across South Georgia to support Imagine No Malaria (Advance Special #5840). This special offering will then be presented at the 2011 Annual Conference Session.
