

Fully Connectional Churches 2019

We commend the following congregations for demonstrating their support of United Methodist ministries both locally and globally by giving 100% or more of their apportionments. These gifts make possible a wide range of disciple-making ministries within each district, across our annual conference, and around the world. We are grateful for the gifts of all who provide financial support as, together, we work to make disciples and grow the kingdom of God.

CONGREGATIONS GIVING MORE THAN 100%

Coastal District
