

Connecting Neighbors

building our capacity to respond in disasters

Connecting Neighbors is a one-day training hosted by The Office of Connectional Ministries designed to equip and empower individuals and local churches to be a presence in their community (and beyond) in the event of a natural or man-made catastrophic event. Each training will begin at 10:00 a.m. and conclude by 3:00 p.m. Cost is \$10 and includes materials and lunch. There are three opportunities to participate in the training. We hope you will join us as we continue to build our capacity to respond as the church body and minister to our neighbors in disasters. For more information and to register, visit www.sgaumc.org/connectingneighbors. For questions, contact Allison Lindsey at allison@sgaumc.com or 888-266-7642.
