

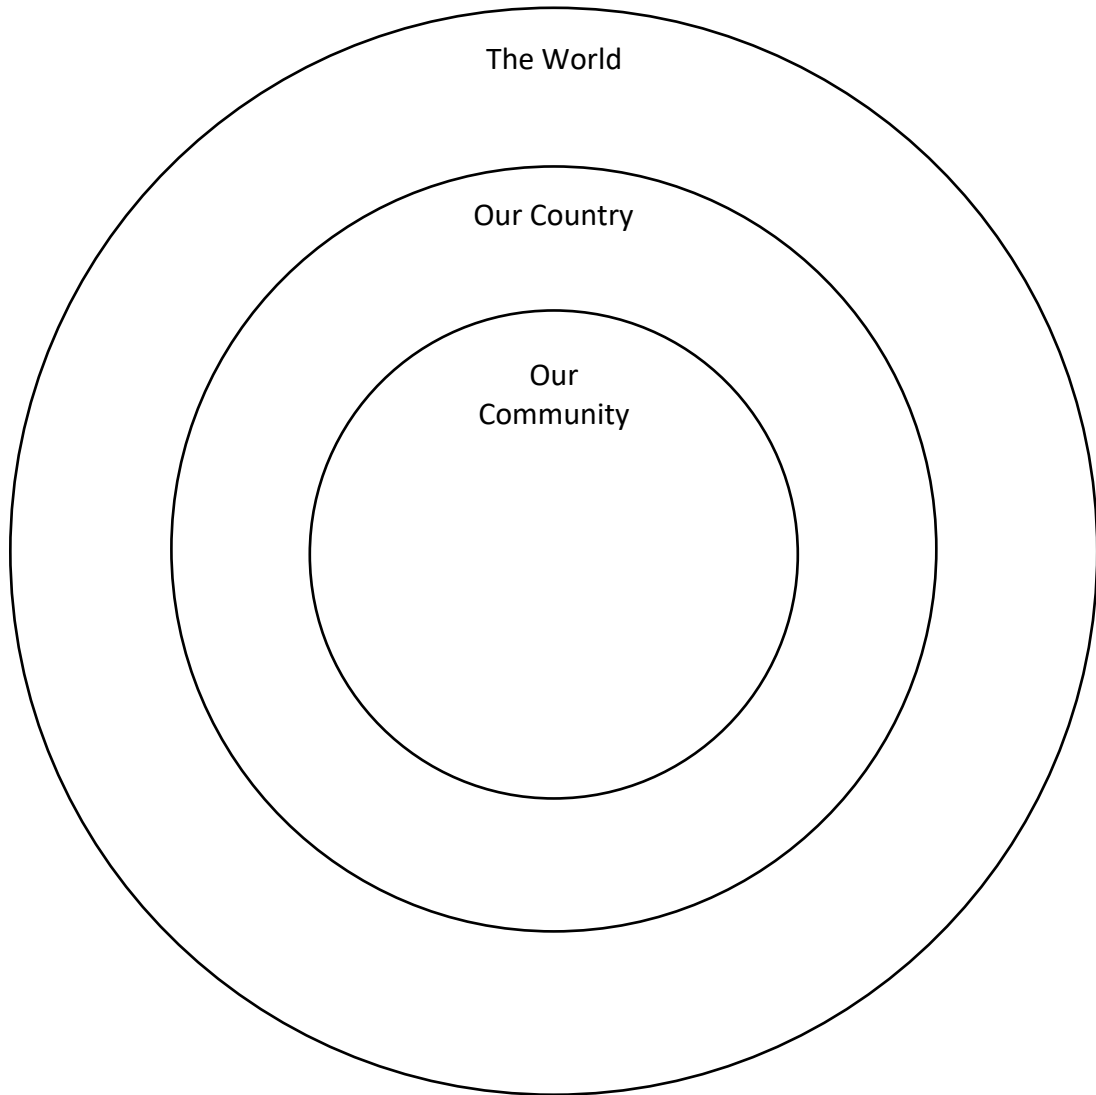

### Map 5- Identifying Felt Needs, Desires, Dreams

As you look at how you're called to minister to people, it's important to listen and learn. Spend some time listening to the people around you this week and asking them to name their greatest needs, desires, and dreams. Then record each on the charts that follow and reflect on your results with the questions that follow.

#### Felt Needs

## Felt Desires

## Felt Dreams

2. What did you find out that was different than your previous assumptions?
3. What needs are you uniquely equipped to meet?
4. What is the difference between what people desire and what God desires for us?
5. What are the dreams and goals you discovered in your listening?
6. How are you uniquely equipped to help people reach the dreams God has for them?
