Rev. Jay Hanson
 Lead Pastor - The Chapel Ministries

Jay began praying a dangerous prayer "Lord do with me today whatever you must, that in the future you may do with me whatever you wish!" And in 2004, God answered his prayer. A graduate of Asbury Theological Seminary, Jay was approached by the South Georgia Conference of the United Methodist Church to plant a new congregation in Brunswick, Georgia. Starting new ministries was not new for Jay, but starting a new congregation from scratch was no small challenge! With his wife, Kim, and a handful of dedicated movers and shakers, Jay obeyed God's call on his life and planted The Chapel, a church for people who do not know Christ. The Chapel was officially consecrated in September 2005. Thirteen years later The Chapel has grown to include three campuses with six services each Sunday that reach over 1300 in weekly worship attendance.

The vision continues: to be providing environments for others to encounter God and respond to His call on their lives.

Jay is also the Director of Congregational Development for the South Georgia Conference of the UMC. In that role he helps develop healthy and growing congregations by directing resources to areas with significant potential throughout South Georgia.

The Goshen Praise Band combines contemporary praise and worship, southern gospel, blues, and classic hymns to provide a unique music ministry. With a diverse range of vocal styles and distinctive blend of instruments, we strive to provide a memorable worship experience for all. Joining together at our home church, Goshen UMC in Rincon, GA, only a couple of years ago, each member brings a range of musical experiences along with a shared passion for the Lord and combines them into the band we are today. We recognize that this ministry has been a blessing to our lives. It has afforded each of us the ability to learn new styles and songs, all the while keeping our focus on one thing.....sharing the gospel with others.

"Sing to Him; sing praises to Him; tell of all His wondrous works!" Psalm 105:2
