

The South Georgia Conference has experienced multiple catastrophic events in the past three years and churches have been actively engaged in their own communities and beyond to meet the needs of those impacted by these storms. United Methodists have been a beacon of light during dark skies by being the hands and feet of Jesus Christ—before, during and after the storms.

Join the Conference Discipleship Teams for "Witnessing Through The Storm", a day of exploring the many ways individuals and churches can be prepared in the event of a natural disaster and "be the church" in their communities and throughout the world. This will be a day of equipping, inspiring, building capacity and preparing for our future impact in disaster response ministry.

### **Cordele FUMC**

**10:00am-4:00pm**

**Cost: \$25.00 (includes lunch)**

**REGISTRATION OPENING SOON**
